Labor Union | Definition of Labor Union by Merriam-Webster Labor unions represent workers in both the public and private sector. Individual labor unions represent workers in specific industries and function in an intermediary capacity between employers and employees. Unions negotiate directly with employers on employees' behalf with regard to compensation, conditions and working hours. Labor unions in the United States - Wikipedia Labor unions in the United States are organizations that represent workers in many industries recognized under US labor law. Their activity today centers on collective bargaining over wages, benefits, and working conditions for their membership, and on representing their members in disputes with management over violations of contract provisions. Larger unions also typically engage in lobbying. A Brief History of Unions The Most Famous Labor Union in History. In the history of America's trade and labor unions, the most famous union remains the American Federation of Labor (AFL), founded in 1886 by Samuel Gompers. At its pinnacle, the AFL had approximately 1.4 million members.
